

HD12

12 Hour Liquid Votive™ Fuel Cell

Two full nights of candlelight from a single votive sized cell. Designed to be used in most votive sized candle holders.

- Ideal where table/lighting space is at a premium.
- No wax mess to clean up. Clean simple operation.
- Eliminates thermal shock breakage commonly associated with the use of solid wax candles.
- Non-flammable liquid fuel.
- Cost just pennies per hour to burn.
